

Coral Coast Cleaning

Move-in/Move-out Checklist

Cobwebs

Dust: We use a damp microfiber cloth to collect dust, not just move it around.

Window sills and ledges

- Shelves, tables, mantels, woodwork & trim
- Inside cabinets and drawers throughout
- Baseboards, door bevels, and other often overlooked areas
- Blinds dusted by request.
- Spot Clean: We'll remove spills, prints & gunk using a damp microfiber cloth and a non-toxic plant-based cleaner.
- Woodwork & trim
- Around door handles & door frames
- Prints & smudges on windows (interior) and glass
- Light switch plates
- Mirrors

Kitchen:

- Window over kitchen sink
- Sink basin, faucet & fixtures
- Polish chrome
- Stainless steel appliances wiped down & polished
- Fronts of cabinets, drawers and handles
- Inside cabinets and drawers
- Counters & backsplashes
- Microwave inside & out
- Top of fridge wiped down
- Outside of all appliances
- Inside fridge cleaned by request
- Inside oven cleaned by request.
- Stove hood de-greased

Bathrooms

- Mirrors
- Backsplash or wall behind sink
- Sink basin, faucet & fixtures
- Polish chrome
- Wipe down soap dispenser or dish
- Counters, shelves & cabinet fronts
- Baseboards
- Toilet inside & out, remove mineral ring, wipe down surrounding floor & walls
- Shower/tub basin, tile & walls to remove soap scum, scrub grout to remove surface mold
- Shower/tub glass doors scum & streak-free
- Dust extractor fan
- Hand mop floor

Vacuum: Our vacuums are multipurpose for hard

- floors & carpets.

Mop: We ensure different water for each room.

- Hardwood floors
- Linoleum, marmoleum, tile, stone (including marble) & laminate floors
